TORII

Welcome to TORII. The actual meaning in Japanese is a *'traditional Japanese gate most commonly found at the entrance of a Shinto shrine,'* now serves as the doorway to a culinary haven in its new avatar.

Gauri Khan's design reflects a forward-thinking approach to Asian cuisine, creating a contemporary and dynamic atmosphere that caters to diverse tastes.

Enjoy the emotion and experience of the delicious selection of foods, cocktails, desserts and more.

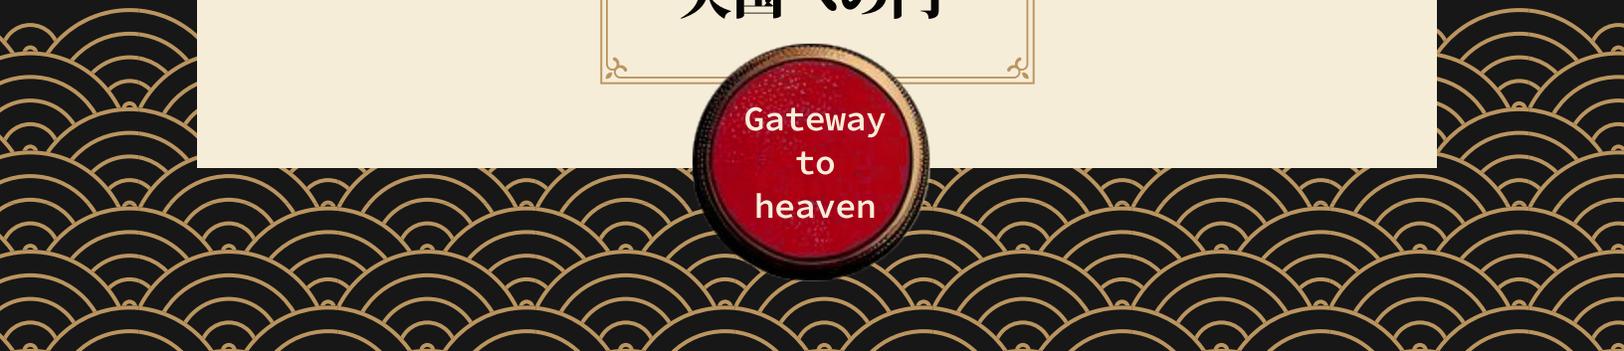

Lots of Love
